MY FAVORITE UNKNOWN CHRISTIAN BAND

LifeBreakThrough is a band from the Philippines that has put many of their songs on YouTube. They call their style *country gospel* but it's not much like US country gospel. This group has reminded me that I can have a great time of worship, even when I'm alone, just by singing praises to God.

I've included many links below. Here are a few ideas as you watch or listen to them: • Give grace to them because they haven't yet mastered the English language; • Use ear buds or separated speakers to truly appreciate the beautiful stereophonic nature

of the music; • Don't ignore the bridges which I find very creative, nicely instrumented, and especially well stereo-balanced; • Enjoy & Worship!
